NEW

Long Canvas Tacks

A longer version of Canvas Tacks is now available. It is about 3mm longer than the standard version, allowing for deeper insertion.

Recommended for soft paulownia wood frames and large canvases.

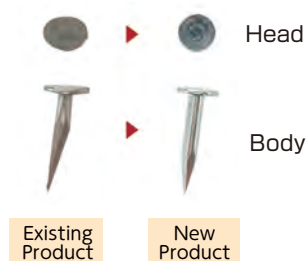

No.100CLK

※Head 5.5 × Diameter 2.0 × Body 16 (mm)

Difference from existing product

The shape of the head has been changed from an oval to a circle.
The shape of the body has been changed from a wedge shape to a shape similar to that of a standard nail.
The head shape has been enlarged to prevent it from falling through the fabric of the canvas.
