Holbein Watercolor Pencil Palette WP-P

Unlock the full potential of Holbein Watercolor Pencils with the all-new “Watercolor Pencil Palette.” This specially textured palette allows you to shave pencil lead directly onto the surface and dissolve it with water—giving you the freedom to mix colors and control moisture just like professional watercolors. Designed for ultimate versatility, its ergonomic, ambidextrous shape ensures a comfortable grip for everyone. Plus, its ultra-compact design fits perfectly inside the Holbein 24-color set, making it the perfect companion for artists on the go.

User Guide

- 1: Rub the watercolor pencil tip on the textured side to produce powder.
- 2: Mix the powder with a wet brush and start painting.

Care Instructions

It is reusable and easy to clean with water. If the surface becomes stained, simply let it dry and rub it with a plastic eraser to restore it to its original state.
