

# HOLBEIN WATERCOLOR PALETTE WITH REMOVABLE PANS

## Are you having trouble with this when using the watercolor palette?

- ☑ There are no extra wells when you buy new colors.
- ☑ You want to change the order of colors when you buy new colors.
- ☑ Wells are too small for wide flat brushes.
- ☑ The partition of the color mixing well is low, and water and color flow into the other wells.
- ☑ The whole palette is difficult to wash.

**Holbein has a new watercolor palette that solves all of these problems!**

### Holbein Watercolor Palette With Removable Pans

This new and innovative watercolor palette has removable pans that allow you to change the order of your colors and wash the entire palette with ease.

#### POINT 1

There are two sizes of removable pans: large and small. The large type is ideal for white and other colors that are used in large quantities.

Snap it into place by aligning the concave part with the round groove.

#### POINT 2

The deep partition allows for color mixing with lots of water.

Depth of partition  
approx. **6mm**

#### POINT 3

Color names can be written on the back of each pan.  
※Oil-based pens are recommended.

#### POINT 4

Easy to clean. The Whole palette can be washed after removing all of the pans.
